### **Hiring Camp Counselors for Summer 2024**

*Seeking staff with experience in childcare, youth development, backpacking, camping, gardening, crafts, horsemanship, animal care, and more...*

[Camp Trinity on the Bar 717 Ranch](#) is a residential summer camp in Northern California for kids ages 8-16. Our mission is to provide an outdoor camp experience where children have daily opportunities to have fun, develop friendships, challenge themselves, build character, learn new skills, gain a sense of community and make their own choices. Campers choose freely from activities that range from horseback riding, gardening, animal care, and maintenance projects, to backpacking trips, crafts, campfires, singing, and much more.

Between herding cows and herding campers, life on the ranch is always busy. Counselors are role models, leaders, and friends who, through their thoughts and actions, exemplify positive character and values. Come join our big ranch family and spend a summer working, living, and playing in the mountains.
